

Trethem Mill Wifi.....help.....

Please ensure that the WiFi card in your computer is enabled

<p>Right click on the Internet icon located along the toolbar at the bottom right of the screen</p>	
<p>Click "Connect to a network"</p>	
<p>Select one of the four hotspots with the strongest signal strength and click to connect</p>	
<p>Click on the Internet explorer icon on your desktop and this page should load. If this page doesn't load click the home button on Internet explorer</p>	
<p>To use a voucher purchased from reception please click on "use a voucher" then type in the ID and the PIN number as given on the card</p> <p>To buy time online with a debit/credit card, click "buy time" and follow the on-screen instructions for secure payment</p>	

Please note: some of the above screens may vary on different computers and operating systems
