

Direction to Trethem Mill:

Finding us is easy - we are situated 3.5 miles before St Mawes, just 500 yards off the main A3078 Tregony to St Mawes road. More detailed directions can be found below

We strongly advise that you follow these directions and not those given by any SatNav

From Tregony – follow the A3078 to St Mawes. After approximately 6 miles you pass through the village of Trewithian. Continue on a further 2 miles, after dropping down a long hill look for our brown Caravan and Camping sign on the right hand side at the bottom

From the King Harry Ferry – follow the B3289 to St Mawes. After driving through St Just in Roseland village turn left at the T-junction on to the A3078. After approximately 1.5 miles turn left at the bottom of the hill in to the lane to Trethem

From the M5 motorway at Exeter – at Junction 31 branch left to leave the motorway and join the A30 signposted Okehampton/Bodmin. Continue on the A30 for approximately 60 miles. Do not turn off the A30 for St Austell/Eden Project but continue along past Victoria and the Newquay turn-off. Once over the brow of the hill look for McDonald's on your right. As you start descending take the discreet left hand turn onto the B3275 signposted for Ladock. This will take you under, then over, the dual carriageway.

Continue straight through Ladock, after approximately 2 miles turn right towards Truro.

Shortly afterwards turn left towards St. Austell on the A390 by the Mercedes Benz garage.

After approximately 1 mile turn right onto the A3078 towards Tregony/St. Mawes. Go over Tregony bridge and continue following for St. Mawes. After approximately 6 miles you will pass through Trewithian. Continue for a further 2 miles, turn right at the bottom of the hill signposted to Trethem

Please note our approach road from the A3078 (approx 500 yards) is a single track lane with passing places.
